 i declare under penalty of perjury under the Constitution of the United States of America and of the Minnesota that the aforegoing is accurate as attested so help me God:

"Be it enacted by the Senate and the House of Representative of the United States of America in Congress assembled, That the Congress hereby declares that a serious emergency exists and that it is imperatively necessary speedily to put into effect remedies of uniform national application."

"Whereas, under the Act of March 9, 1933, all Proclamations heretofore or hereafter issued by the President pursuant to the authority enforced by section 5(b) of the Act of October 6, 1917, as amended, are approved and confirmed;" [President Roosevelt's Proclamation 2040].

"During time of war or during any other period of national emergency declared by the President, the President may, through any agency that he may ... regulate, or prohibit under such rules and regulations ... by means of licensure... any ... transactions of credit between or payments by banking institutions as defined by the President and ... currency, by any person within the United States or anyplace subject to the jurisdiction thereof." [Title 1, Sec. 2, 48 Statute 1, March 9, 1933]

"Bank holiday of 1933. Presidential Proclamations No. 2039, issued March 6, 1939, and No. 2040, issued March 9, 1933, temporarily suspended banking transactions by member banks of the Federal Reserve System... The first proclamation, it was held, had no authority in law until the passage on March 9, 1933, of a ratified act (12 U.S.C.A. § 95b). The present law forbids member banks of the Federal Reserve System to transact banking business, except under regulations of the Secretary of the Treasury, during an emergency proclaimed by the President. 12 U.S.C.A. § 95." [Black's Law Dictionary, 5th Edition];

"The Secretary of the Treasury will issue licenses to banks which are members of the Federal Reserve system whether national bank or state, located in each of the 12 Federal Reserve bank cities, to open Monday morning." [President Roosevelt's papers]

"When required to do so by the Secretary of the Treasury, each Federal Reserve agent shall act as agent of the Treasurer of the United States or of the Comptroller of the currency, or both, for the performances of any functions which the Treasurer or the Comptroller may be called upon to perform in carrying out the provisions of this paragraph. [48 Stat. 1]

"Whenever in the judgment of the Secretary of the Treasury such action is necessary to protect the currency system of the United State, the Secretary of the Treasury, in his discretion, may regulate any or all individuals, partnerships, associations and corporations to pay and deliver to the Treasurer of the United States any or all gold ... Whoever shall not comply with the provisions of this act shall be fined not more than \$10,000 or if a natural person, may in addition to such fine may be imprisoned for a year, not exceeding ten years." [Stat 48, Section 1, Title 1, Subsection N, March 9, 1933]

"During this banking holiday it was at first believed that some form of script or emergency currency would be necessary for the conduct of ordinary business. We knew that it would be essential when the banks reopened to have an adequate supply of currency to meet all possible demands ... On March 7, 1933, the Secretary of the Treasury issued a regulation authorizing clearing houses to issue demand certificates ... this authority was not to become effective until March 10th ... after the passage

mount of collateral that is presented from time to time from exchange for bank notes. Is that not correct?" (d) [McPhadin] "Yes, I think that is correct."

THE EMERGENCY CONTINUES

In 1934 the Supreme Court announced that that banking emergency was still ongoing HOME BLDG. & LOAN ASS'N v. BLAISDELL. (1934) "Appellant contests the validity of chapter 339 of the Laws of Minnesota of 1933, p. 514, approved April 18, 1933, called the Minnesota Mortgage Moratorium Law, [290 U.S. 398, 416] The act provides that, during the emergency declared to exist..." The Supreme Court of the United States stated that case that started April 1933 was relevant to the EMERGENCY DECLARED TO EXIST, present tense. In fact, The Emergency was not to end until there was another Executive Order and/or declaration "Recognizing the limitations of the legal authority the President had cited for his declaration of a national bank holiday, the legislation amended § 5(b) of the Trading with the Enemy Act to allow it to be used not only in time of war but also "during any other period of national emergency declared by the President." The banking legislation also declared that "a serious emergency exists," conferred extensive discretionary powers ... the President in Proclamation No. 2040 on March 9 extended the national emergency and the bank holiday he had declared on March 6 "until further proclamation by the President", In the middle of that decade the Senate created a Special Committee on National Emergencies and Delegated Emergency Powers to conduct an investigation into Presidential use and abuse of emergency powers. On the basis of that Committee's findings and recommendations, Congress in 1976 enacted the "National Emergencies Act." The Act repealed several statutory delegations of emergency powers and, in addition, imposed a number of controls on the President's exercise of emergency powers, as follows:

(1) With one pertinent exception, it terminated "all powers and authorities possessed by the President, any other officer or employee of the Federal Government, or any executive agency, ... as a result of the existence of any declaration of national emergency in effect on September 14, 1976." The Senate Special Committee had found that not only President Roosevelt's 1933 proclamation of a national emergency ... were still extant. Technically, the National Emergencies Act did not repeal or terminate those four declarations of national emergency.

EXTANT- it's the legalese word, it means still in existence, still active, still binding, still alive, it means that it hasn't been repealed. This was the 1976 Senate stating for a fact, that the declarations issued by President Roosevelt in 1933 respecting the national emergency, were still in effect, imagine that we are still in a national emergency after all these years, Government can do anything right?

It must be noted that the emergency holiday foresaw the necessity for ordinary business to be conducted, however, this was with the provision that there would be an adequate supply of currency to meet demand, I never received my adequate supply of currency as was promised and as such I cannot operate or conduct ordinary business during the emergency, which means my government has failed to provide me a remedy which it is under obligation to do so.

AND TAKE FURTHER NOTICE THAT i, Edward Roark Schwagerl, of the age of Majority, DEMAND, for you to put the name EDWARD ROARK SCHWAGERL, OF THE AGE OF MAJORITY: EDWARD ROARK SCHWAGERL FOUNDATION, ON THE DO NOT STOP, DO NOT DETAIN LIST FOR WASHINGTON D.C., MINNESOTA STATE and all the OTHER STATES. i reserve as well as retain all rights protected by above said DISTRICT OF COLUMBIA AND STATE OF MINNESOTA STATE Constitutions, inalienable as well as alienable rights as i determine at any given time, i do not accept nor do i recognize any rights afforded to any individual, entity, person under the 14th amendment section 1 of the United States Constitution and waive any part of said privileges and/or benefits associated thereto. Revocation of Election

I/We, Application and Application and Application and I/Ostination of any existing record of status as "resident alien individual(s) of the United States", and in accordance with the legislative intent this is considered to be completed by actual and constructive notice to the parties of the testimony contained herein as stated under the United States Title known as "Revocation of Election" and in keeping of good citizenship do wish to be known as a private Minnesotan national(s), private citizen(s) of the United States and private member(s) of one of the perpetual Union member states with the lawful status of a non-Taxpayer and non-Filer. This revocation of election shall become effective immediately as specified in 26 U.S.C. §6013(g)(4) which addresses Termination of Election with a pertinent section at 26 U.S.C. §6013(g)(4)(A) Revocation by taxpayer, both included herein by reference and made apart hereof. Said statutory section supulates that an election under this subsection shall terminate at the earliest of the Internal Revenue Service-receipt of this deed of revocation of election.

edward and christine husband and wife in holy matrimony, are true sole heirs to the written constitution of the United States and equitable surgites/subrogees/payors as secondarily liable to said "Taxpayers", and do hereby declare wish and will their intent, otherwise order, that the Internal Revenue Service acknowledge and register for their records our election to Terminate the Election for Taxpayers "EDWARD R SCHWAGERL" and "CHRISTINE M SCHWAGERL", respectively. This act of ours to be undone now was done ab initio unknowingly unavailingly, and unintentionally without being fully availed of true understanding, and imignorance of law owing to a mistake of understanding of our intent and what is written on our hearts of said the congressionally created statute(s) in 26 U.S.C. §6013(g) included herein by reference and made apart hereof. The Election shall terminate immediately as clearly stated to those men and women acting as appropriate or official IRS operational personnel, IRS management, IRS Chief Legal Counsel, and the IRS Commissioner, their agents, subcontractors and assigns and successors.

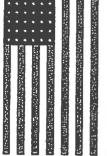

In accordance with said 26 U.S.C. §6013(g)(4)(A), i/we, edward & christine, jointly and severally do hereby declare forevermore that i/we exercise the option to Terminate the Election for "Edward R Schwagerl" & "Christine M Schwagerl", respectively. Immediately upon receipt of this notice of deed, Edward R Schwagerl & Christine M Schwagerl no longer wishes to be identified, categorized, characterized, or treated as a taxable Resident Alien 'taxpayer'. According to the Internal Revenue Code of 1954 statutes promulgated at 26 U.S.C. §6013(g)(6), it states:

"Only one election, one finds expressed in this particular statute that if any election under this subsection is terminated under paragraph (4) Termination of Election (A) Revocation by taxpayers, that such individual(s) shall be ineligible to make an election under this subsection for any subsequent taxable year."

Thus, once a Termination of Election occurs, which is the purpose of this recorded Testimony properly submitted to the IRS Commissioner, et al; *edward* & *christine* for "Edward R Schwagerl" & "Christine M Schwagerl", respectively, never again desire to be presumed to be, viewed to be, or changed via 'election' into a Resident Alien 'Taxpayer'.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

File Form 8302 to request that the IRS electronically deposit a tax refund of \$1 million or more directly into an account at any U.S. bank or other financial institution (such as a mutual fund, credit union, or brokerage firm) that accepts electronic deposits.

The benefits of an electronic deposit include a faster refund, the added security of a paperless payment, and the savings of tax dollars associated with the reduced processing costs.

Who May File

Form 8302 may be filed with any tax return other than Form 1040, 1120, or 1120S to request an electronic deposit of a refund of \$1 million or more. You are not eligible to request an electronic deposit if:

- · The receiving financial institution is a foreign bank or a foreign branch of a U.S. bank, or
- You have applied for an employer identification number but are filing your tax return before receiving one.

If Form 8302 is filed with Form 1045, Application for Tentative Refund, or Form 1139, Corporation Application for Tentative Refund, both of which allow for more than one year's reporting, electronic deposits may be made only for a year for which the refund is at least \$1 million.

Note: Filers of Form 1040 must request a direct deposit of refund by completing the account information on that form. Filers of Forms 1120 or 1120S must request a direct deposit of a refund using Form 8050, Direct Deposit of Corporate Tax Refund, This includes a request for a refund of \$1 million or more.

Conditions Resulting in a **Refund by Check**

If the IRS is unable to process this request for an electronic deposit, a refund by check will be generated. Reasons for not processing a request include:

- The name on the tax return does not match the name on the account.
- You fail to indicate the method of deposit to be used (direct deposit or Fedwire).
- · The financial institution rejects the electronic deposit because of an incorrect routing or account number.
- You fail to indicate the type of account the deposit is to be made to (checking or savings).
- · There is an outstanding liability the offset of which reduces the refund to less than \$1 million.
- You are subject to the Treasury Offset Program (TOP) and fail to indicate direct deposit as the method of deposit to be used

How To File

Attach Form 8302 to the applicable return or application for refund. To ensure that your tax return is correctly

processed, see Assembling the Return in the instructions for the form with which the Form 8302 is filed. For Forms 1045 or 1139, attach a separate Form 8302 for each carryback year.

Specific Instructions

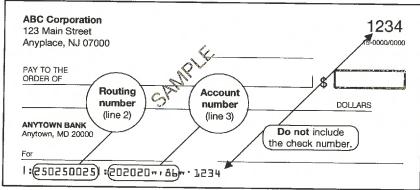

Identifying number. Enter the employer identification number or social security number shown on the tax return to which Form 8302 is attached.

Line 1. Direct deposit is an electronic payment alternative that uses the Automated Clearing House (ACH) system. Fedwire is a transaction-bytransaction processing system designed for items that must be received by payees the same day as originated by the IRS.

When there is a verified potential that the tax refund will be applied to a debt owed to a particular agency, a Fedwire deposit will be rejected due to the offset. To receive an electronic deposit, elect to use the direct deposit method of deposit instead of Fedwire.

Line 2. Enter the financial institution's routing number and verify that the institution will accept the type of electronic deposit requested. See the

Sample Check

Note: The routing and account numbers may be in different places on your check.

- Whereas Ramsey County Judge Bartsch's adult name order August 30, 2017, 62cv173317, extinguishes the guardian & ward relation, terminates all attachments to any leasee name titles or presumptive easements, and the jurisdiction of said order in special term is rooted in chancery practice and an exemplified-congressional copy of that order is matter of court record and is attached and made apart hereof by reference displayed herein seen in "Exhibit A" in Annex 2;
